

The image shows a modern exhibition stand for Cattelan Italia. The stand is primarily composed of dark wood panels and glass. On the left, there is a long, low reception counter with a white top and dark wood base. Above it, a long, illuminated light fixture hangs from the ceiling. The wall behind the counter features the 'cattelan italia' logo in illuminated letters. To the right, a glass-walled display case sits on a raised platform. Inside the case, a glass dining table with a complex, geometric wooden base and two yellow chairs are displayed. A large, circular mirror is mounted on the back wall of the case. The floor is made of light-colored wood, and the ceiling has recessed lighting.
