CRAIG

Design / Maurizio Manzoni

Curve sinuose, comfort eccezionale e un’estetica che cattura lo sguardo:
Craig è un divano di design che arreda il tuo soggiorno moderno rendendolo unico.
È un divano contemporaneo conforme al gusto del panorama attuale, destinato tuttavia a distinguersi con stile. Lo schienale, ispirato alle forme organiche e armoniose della natura, avvolge le sedute e si modella attorno ai cuscini morbidi e completamente sfoderabili. I dinamismi visivi gli donano un aspetto singolare a tutto tondo, e permettono di creare nel tuo open space un’atmosfera che trasmetta un senso appagante di pace. Il bracciolo, assoluto protagonista della composizione, sembra chiuderti in un caldo abbraccio, facendoti sentire in un luogo intimo e raccolto.
Craig è anche un divano componibile che, modulare e versatile, si adatta al tuo spazio: scegli le configurazioni lineari per conversazioni vis-à-vis, crea una accogliente configurazione ad angolo o aggiungi una chaise longue nella versione tonda e squadrata. Infine, i comodi moduli terminali, che seguono l’andamento curvilineo e avvolgente dello schienale, spezzano la simmetria, aggiungendo dinamismo e personalità alla composizione.

With its sweeping curves, exceptional comfort and an eye-catching aesthetic, Craig is a designer sofa that will brighten up your modern living room and add a unique touch.
A contemporary sofa that is in keeping with modern tastes, yet destined to stand out in style. Drawing inspiration from the organic, harmonious forms of nature, the backrest wraps around the seats and moulds itself around the soft, fully removable covers of the cushions. The dynamic visuals give Craig a singular all-round look, and allow you to create an atmosphere in your open space that exudes a satisfying sense of peace.
The armrest, absolute protagonist of the composition, gives the impression of surrounding you in a warm embrace, making you feel that you are in an intimate and cosy place.
Craig is also a modular and versatile sofa that will adapt to your space: choose linear configurations for one-to-one conversations, create a cosy corner configuration or add a chaise longue to the round and square versions. Lastly, the comfortable end modules, which follow the curved, enveloping contours of the backrest, provide a break to the symmetry, adding dynamism and character to the composition.

DOUGLAS

Design / Blus

Il divano componibile Douglas, espressione dell'interior design, racchiude l'armonia di una calda accoglienza e il design pregiato, adattandosi alla perfezione anche al tuo ambiente domestico. Esprimi al meglio la tua sensibilità artistica grazie all'ampia gamma di moduli: scegli le configurazioni lineari, ideali per una collocazione in centro stanza, o quelle angolari, pensate per i tuoi momenti di convivialità e relax. I braccioli e gli schienali removibili e invertibili ti permettono di rinnovare con semplicità il tuo living di design o il look del tuo spazio espositivo. La flessibilità compositiva del divano moderno Douglas ti offre soluzioni con chaise longue o ricercate penisole dalla forma arrotondata, vere e proprie oasi di pace. La struttura lineare e pulita crea un piacevole contrasto con le curve sinuose dei pratici cuscini sfoderabili, imbottiti in misto piuma. Le sedute, arricchite da un'innovativa microfibra in poliuretano, garantiscono compattezza e comfort duraturi, rendendo Douglas un divano comodo e di gran lusso.

An expression of interior design, the Douglas modular sofa encompasses the harmony of a warm welcome and fine design, blending seamlessly into your home environment. Express your artistic flair to the full thanks to the wide range of modules: choose the linear configurations, ideal for a central room placement, or corner configurations, designed for moments of conviviality and relaxation. Removable and reversible armrests and backrests make it possible for you to easily renew your design living room or the look of your showroom space. The compositional versatility of the Douglas modern sofa provides solutions with a chaise longue or elegant rounded peninsulas, for a true oasis of peace. The clean, linear structure creates a pleasant contrast to the sinuous curves of the practical cushions with removable covers, upholstered in a feather blend. The seating, enhanced with an innovative polyurethane microfibre, guarantees lasting firmness and comfort, making the Douglas a comfortable and luxurious sofa.

MICHAEL

Design / Blus

Mykonos, il nostro divano moderno d’ispirazione neoclassica, rivela il fascino dell’antica Grecia attraverso la purezza e l’armonia delle forme. Lasciati cullare dal dolce far niente, dona un comfort completo allo schienale con l’aggiunta di ampi cuscini imbottiti in misto-piuma e di cuscini a rullo poggiatesta. La cifra stilistica di questo divano sfoderabile risiede nella sinergia tra estetica e funzionalità: l’elegante housse, ritmata da cuciture a vista, scivola lungo la silhouette fino a coprire i piedini con morbidi panneggi; un rivestimento pratico, che può essere cambiato facilmente per un look in costante evoluzione. Il progetto prevede anche una configurazione angolare su misura per te, grazie alla comoda chaise longue pensata per accompagnarti nei momenti dedicati al relax, alla lettura e ai pensieri. Mykonos: un’opera di interior design semplice ma ricca di raffinati dettagli che la ergono a “monumento” del tuo living contemporaneo.

Mykonos, our modern sofa, inspired by neoclassical design, reveals the charm of ancient Greece through the purity and harmony of its forms. Let yourself be embraced by the art of doing nothing, enjoying complete comfort with the addition of large, feather blend upholstered cushions and cylindrical headrest pillows. The stylistic feature of this removable-cover sofa lies in the synergy between aesthetics and functionality: the elegant cover, accented with visible stitching, gracefully flows along its silhouette, draping softly over the feet. This practical upholstery can be easily changed, allowing for a constantly evolving look. The project also includes a customizable corner configuration, thanks to the comfortable chaise lounge—perfect for moments of relaxation, reading, and thinking. Mykonos: a simple yet sophisticated piece of interior design, enriched with refined details that elevate it to a true "monument" of your contemporary living area.

SINATRA

Design / Maurizio Manzoni

Sinatra è un divano moderno modulare dalla personalità trasversale che si può trasformare in un'isola di relax o in un angolo dedicato alla lettura e ai pensieri. Le proporzioni monolitiche lo rendono un divano comodo e gli donano un tocco scenografico e di carattere, perfetto per il tuo living moderno. La seduta, bassa e profonda per garantire il massimo comfort, crea un'atmosfera rilassata e informale. Sinatra è anche dotato di un pratico meccanismo che risponde alle esigenze di ognuno: lo schienale reclinabile permette una leggera inclinazione, inoltre la sua altezza offre un maggior supporto alla postura. Grazie alla modularità di questo divano componibile, puoi creare accoglienti configurazioni lineari e angolari con penisola. Combinalo con deliziosi tavolini ed elementi freestanding come chaise longue, pouf poggiapiedi e pouf da seduta, per dare vita a uno spazio conviviale e su misura.

Sinatra is a modern modular sofa with a transversal personality, that can be transformed into a relaxing island or a corner dedicated to reading and thinking. The monolithic proportions make it a comfortable sofa with a dramatic and charismatic touch, perfect for your modern living room. The low, deep seat for maximum comfort creates a relaxed and informal atmosphere. Sinatra also features a practical mechanism that responds to the needs of all: the reclining backrest allows a slight inclination, and its height also offers greater support for the posture. Thanks to the modularity of this sectional sofa, you can create cosy linear and corner configurations with the peninsula. Combine it with delightful side tables and freestanding elements such as chaise longues, footrests and seating footstools to create a homely, made-to-measure space.

HESTON

Design / Maurizio Manzoni

Le linee pulite di Heston riflettono la ricerca di una purezza geometrica, ideale per chi cerca un divano moderno senza rinunciare al comfort. Heston rivoluziona il concetto di bracciolo, un innovativo pannello in struttura metallica su cui poggia il morbido cuscino. Perfetto per la casa o per gli spazi contract, Heston combina il suo design funzionale con un look di grande impatto: i cuscini alti dello schienale lo rendono un divano comodo; la seduta sospesa, disponibile in due diverse altezze, evidenzia le raffinate finiture dei piedini. Heston è un divano modulare che ti permette di creare la configurazione migliore: soluzioni lineari, angolari o freestanding con pouf poggiapiedi, penisole e chaise longue. È la scelta perfetta anche in un centro stanza, per dare personalità al tuo ambiente.

The clean lines of Heston reflect the pursuit of geometric purity, perfect for those seeking a modern sofa while maintaining the comfort. Heston revolutionises the concept of the armrest, an innovative metal frame panel where a soft cushion lays. Perfect for home or contract spaces, Heston combines its functional design with a striking look: the high back cushions make it a comfortable sofa; the suspended seating, available in two different heights, emphasises the refined finish of the feet. Heston is a modular sofa that enables you to create the best configuration: linear, corner or freestanding solutions with footstools, peninsulas and chaises longues. It is also the perfect choice for the centrepiece of a room, to add a touch character to your surroundings.

HARRISON

Design / Maurizio Manzoni

Cerchi un divano classico o un pezzo perfetto per il tuo living moderno?
Harrison è quello che fa per te, un divano componibile nato dalla migliore tradizione made in Italy. Le linee dolcemente squadrate si rifanno al passato, ma riflettono un design minimale pensato per il tuo interior contemporaneo. Il look di Harrison, raffinato e funzionale, lo rende un divano comodo e versatile, da inserire con facilità sia in un ambiente domestico che in eleganti spazi contract. Il comfort è garantito dai cuscini alti dello schienale e dall'aspetto sospeso della seduta, proposto in due diverse altezze. Puoi personalizzare il tuo divano in pelle o in tessuto, disponibili in una vasta gamma di colori. Questo è un divano modulare che si adatta a ogni tua esigenza: componilo scegliendo tra soluzioni lineari, angolari o freestanding, come pouf poggiapiedi, penisole e chaise longue, e crea una configurazione su misura per te, ideale anche per il centro stanza.

Are you searching for a classic sofa or for the perfect piece to complement your modern living room? Harrison is the one for you, a modular sofa created from the best made in Italy tradition. The softly squared lines are inspired by the past, but also reflect a minimalist design for your contemporary interior. The refined and functional look of Harrison make it a comfortable and versatile sofa that can be easily incorporated into both a domestic environment and elegant contract spaces. Comfort is guaranteed by the high back cushions and the suspended appearance of the seat, offered in two different heights. You can also customise your sofa in leather or fabric, both of which are available in a wide range of colours. This is a modular sofa that can be adapted to every need: assemble it by choosing from linear, corner or freestanding solutions, such as footstools, peninsulas and chaises longues, and create a customised configuration that is also perfect for the centre of the room.

HAYDEN

Design / Maurizio Manzoni

Per un open space più ampio e accogliente, scegli Hayden, il nostro divano senza braccioli che completa con eleganza l'arredamento di spazi hospitality e lounge area. Lasciati trasportare dal comfort eccezionale della seduta sospesa, disponibile in due diverse altezze, e dei cuscini alti, adatti ad ogni esigenza posturale. Le linee delicate e pulite di questo divano da giorno creano il perfetto equilibrio tra innovazione e tradizione; Hayden si inserisce armoniosamente in qualunque contesto, dal centro stanza di un living moderno ad un ambiente più classico. L'elevata qualità delle materie prime riflette l'attenzione all'ambiente riservata all'imbottitura, composta da un poliuretano espanso di origine vegetale che offre un'alternativa ecosostenibile e la morbidezza di cui hai bisogno. Nel suo design minimale, Hayden nasconde la versatilità di un divano modulare: può diventare il protagonista del tuo soggiorno di design o trasformarsi in una comoda penisola da abbinare ai modelli Heston ed Harrison.

For a more spacious and cosy open space, choose Hayden, our armless sofa that elegantly completes the furnishing of hospitality and lounge areas. Drift away in the exceptional comfort of the floating seat, available in two different heights, and the high cushions, suitable for every postural need. The delicate, clean lines of this day sofa create the perfect balance between innovation and tradition; Hayden fits seamlessly into any context, from the centrepiece of a modern living room to a more classic setting. The high quality of the raw materials reflects the care for the environment that goes into the upholstery, which is made of a polyurethane foam of vegetable origin that offers an environmentally sustainable alternative and the softness you require. With its minimalist design, Hayden conceals the versatility of a modular sofa: it can become the star of your designer living room or turn into a comfortable peninsula to be combined with the Heston and Harrison models.

MYKONOS

Design / Blus

Mykonos, il nostro divano moderno d’ispirazione neoclassica, rivela il fascino dell’antica Grecia attraverso la purezza e l’armonia delle forme. Lasciati cullare dal dolce far niente, dona un comfort completo allo schienale con l’aggiunta di ampi cuscini imbottiti in misto-piuma e di cuscini a rullo poggiatesta. La cifra stilistica di questo divano sfoderabile risiede nella sinergia tra estetica e funzionalità: l’elegante housse, ritmata da cuciture a vista, scivola lungo la silhouette fino a coprire i piedini con morbidi panneggi; un rivestimento pratico, che può essere cambiato facilmente per un look in costante evoluzione. Il progetto prevede anche una configurazione angolare su misura per te, grazie alla comoda chaise longue pensata per accompagnarti nei momenti dedicati al relax, alla lettura e ai pensieri. Mykonos: un’opera di interior design semplice ma ricca di raffinati dettagli che la ergono a “monumento” del tuo living contemporaneo.

Mykonos, our modern sofa, inspired by neoclassical design, reveals the charm of ancient Greece through the purity and harmony of its forms. Let yourself be embraced by the art of doing nothing, enjoying complete comfort with the addition of large, feather blend upholstered cushions and cylindrical headrest pillows. The stylistic feature of this removable-cover sofa lies in the synergy between aesthetics and functionality: the elegant cover, accented with visible stitching, gracefully flows along its silhouette, draping softly over the feet. This practical upholstery can be easily changed, allowing for a constantly evolving look. The project also includes a customizable corner configuration, thanks to the comfortable chaise lounge—perfect for moments of relaxation, reading, and thinking. Mykonos: a simple yet sophisticated piece of interior design, enriched with refined details that elevate it to a true "monument" of your contemporary living area.

SPENCER

Design / Blus

Il divano di design Spencer reinterpreta lo stile iconico degli anni ’70 in chiave moderna. L’eleganza rétro fa di Spencer un divano vintage, nonché un classico senza tempo perfetto per il tuo soggiorno moderno. La sua silhouette curvilinea e l’imbottitura avvolgente offrono il giusto equilibrio tra estetica e comodità, rendendolo ideale per la tua casa o per uno spazio contract. Il segreto del suo comfort è la seduta bassa e informale: i piedini, quasi invisibili, lo fanno sembrare a contatto con il pavimento, creando un’esperienza di relax unica, perfetta per condividere momenti conviviali con i tuoi ospiti. Spencer è disponibile come divano 3 posti o 2 posti all-in-one, e puoi completarlo con elementi freestanding come la poltrona della stessa gamma o il pouf ottomano poggiapiedi o da seduta. Ogni dettaglio è studiato con cura: le cuciture valorizzano la morbidezza della pelle, mentre l’ampia selezione di tessuti ti permette di personalizzarlo secondo i tuoi gusti. I volumi pieni e compatti sono ritmati da una trapuntatura ispirata alla lavorazione capitonné, che crea morbidi panneggi offrendoti una seduta comoda ed ergonomica.

The Spencer design sofa is a contemporary twist on the iconic style of the 1970s. Its retro elegance makes Spencer a vintage sofa, as well as a timeless classic, just right for your modern living room. Its curved silhouette and wraparound upholstery provide the optimal balance between aesthetics and comfort, making it ideal for your home or contract space. The secret underlying its comfort is the low, informal seating: the almost invisible feet make it appear to be in contact with the floor, creating a unique relaxation experience, perfect for sharing convivial moments with your guests. Spencer is available as an all-in-one 3-seater or 2-seater sofa, and it can be complemented with freestanding elements such as the armchair from the same range or the ottoman footstool or seat. Every detail is carefully considered: the stitching enhances the softness of the leather, while the wide selection of fabrics allows you to tailor it to your taste. Its full, compact volumes are punctuated by a quilting pattern inspired by capitonnè design, which creates a soft draping and ensures a comfortable, ergonomic seat.

RUBY LOUNGE

Design / Castello Lagravinese

La poltrona moderna Ruby Lounge incarna l’essenza del design scandinavo attraverso la riscoperta del nostro legame con la natura, offrendoci un rifugio dalla frenesia dei tempi odierni. La scelta del legno per la struttura è dunque simbolica: un materiale pregiato e durevole capace di creare l’effetto cocoon ideale per il tuo soggiorno di design. L’architettura rigorosa delle gambe accoglie i morbidi cuscini imbottiti in poliuretano espanso, ispirati alle forme organiche delle poltrone di design anni ‘70. Il tratto nordico, inoltre, promuove uno stile minimal senza rinunciare al comfort di un living moderno accogliente. La seduta extra large, impreziosita dalle cuciture a vista, è coronata dallo schienale che avvolge teneramente il corpo, facendosi bracciolo. Puoi scegliere di abbinare la tua poltroncina da salotto a un nostro divano moderno, oppure destinarla come elemento freestanding a luoghi dedicati all’hospitality, quali lounge area e suite.

The Ruby Lounge modern armchair embodies the essence of Scandinavian design by rekindling our connection with nature, offering a retreat from the fast pace of contemporary life. The choice of wood for the structure is therefore symbolic: a high-quality, durable material that creates the perfect cocoon effect for your design living room. The chair's structured legs embrace the soft cushions, made of polyurethane foam and inspired by the organic shapes of 1970s design armchairs. The Nordic influence promotes a minimal style without compromising the comfort of a warm and cosy modern living space. The extra-large seat, accentuated by visible stitching, is crowned by a gently enveloping backrest that seamlessly extends into the armrests. You can pair your lounge chair with one of our modern sofas or use it as a free-standing piece in hospitality spaces such as lounge areas and suites.

RHONDA LOUNGE

Design / Luca Signoretti

La poltroncina Rhonda Lounge, dalla forma tondeggiante, ha una naturale eleganza che la rende adatta ad arredare una sala da pranzo di design confortevole e accogliente. Le morbide pieghe che decorano l'interno dello schienale contrastano con la scocca tesa che avvolge il corpo. Oltre alla versione fissa, è disponibile un'opzione più funzionale adatta ad un ufficio: Rhonda Turn, una sedia girevole di design realizzata con una base a quattro razze. La famiglia Rhonda è la perfetta unione tra eleganza e praticità, espressività e discrezione; ne fanno parte Rhonda Wood ed ML, con le gambe rispettivamente in legno e in metallo, e lo sgabello Rhonda da bancone.

The Rhonda Lounge chair, with its round shape, exudes a natural elegance that makes it ideal for furnishing comfortable and welcoming designer dining rooms. The soft folds that decorate the inside of the backrest contrast with the stretched frame that wraps around the body. In addition to the fixed version, a more functional or office-friendly option is available: the Rhonda Turn chair, a designer swivel chair made with a four-spoke base.
The Rhonda family provides the perfect combination of both elegance and practicality, expressiveness and discretion; it also includes Rhonda Wood and ML, with legs in wood and metal respectively, and the Rhonda counter stool.

GRETA LOUNGE

Design / Paolo Cattelan

La poltroncina Greta è una sedia moderna con braccioli imbottiti. La sua peculiarità sta nella divisione tra la porzione della seduta e il cuscino avvolgente, che unisce lo schienale ai braccioli. Lo schienale sospeso è morbido e confortevole, composto da un cilindro sagomato e curvato, che avvolge la schiena, terminando in comodi braccioli imbottiti. Tra la seduta e la base si crea un gioco di contrasti intrigante, sovrapponendo materiali morbidi o metallici, volumi pieni o vuoti, forme accoglienti o incisive.
La gamba centrale sul retro di questa poltroncina moderna da tavolo è in realtà composta da due gambe ravvicinate, che creano un unico punto d'appoggio.
Lo spazio verticale centrale è un dettaglio che riprende il concetto di pieni e vuoti che si ritrova tra schienale e seduta. ne risulta un design coerente, che restituisce una sensazione complessiva di leggerezza ed equilibrio.

The Greta armchair is a modern chair with upholstered armrests. Its uniqueness lies in the division between the seat part and the wrap-around cushion, which joins the back to the armrests. The floating backrest is soft and comfortable, consisting of a curved, contoured cylinder that wraps around the back, ending in comfortable upholstered armrests.
An intriguing interplay of contrasts is created between the seat and the base, superimposing soft and metallic materials, solid and empty volumes, cosy and sharp contours.
The central leg at the back of this modern dining armchair is actually two legs placed close together to create a single point of support. The vertical space in the centre plays on the concept of solid and empty spaces between the backrest and seat. The result is a cohesive design that conveys an overall feeling of lightness and balance.

MIRANDA LOUNGE

Design / Luca Signoretti

La scocca di Miranda Lounge è ricca di dettagli sartoriali, realizzati con la massima cura e precisione. La seduta e lo schienale, modellati come due valve complementari di una conchiglia, presentano una forma poligonale, arricchita da spigoli smussati e dolci curve. Questa sedia con foro sullo schienale è inoltre arricchita da morbide increspature, come onde sulla riva, che accentuano la sensazione di comfort. Miranda Lounge è disponibile in versione girevole e fissa, con struttura a quattro gambe metalliche che ne snelliscono la figura generosa. La famiglia di sedute Miranda inoltre, comprende anche lo sgabello da bancone cucina - Miranda Sgabello, la sedia con struttura in legno - Miranda Wood, e la versione Miranda ML con gambe in acciaio che rendono la seduta più longilinea e maneggevole.

The body of the Miranda Lounge is rich in bespoke details, crafted with the utmost care and precision. The seat and the backrest, modelled like two complementary shells, have a polygonal shape, magnified by rounded edges and gentle curves. This chair with a hole in the back is also enhanced by soft ripples, like waves on the shore, which accentuate the feeling of comfort. Miranda Lounge is available in both swiveling and fixed versions, with four metal legs that streamline its ample silhouette. The Miranda family also includes the Miranda Sgabello kitchen counter stool, Miranda Wood chair with frame and legs in fine wood and the Miranda ML chair with steel legs that make the chair slenderer and more maneuverable.

CAMILLA LOUNGE

Design / Luca Signoretti

Camilla Lounge, nella versione fissa e girevole, è il perfetto esempio di sedia con braccioli imbottita che completa una stanza con la delicatezza e la sensualità che si desiderano in un ambiente residenziale. Le cuciture orizzontali sul retro-schienale producono tre sporgenze imbottite che terminano nel bracciolo con uniformità e in modo molto fluido. Nella parte bassa del retro-schienale, la struttura profonda e l'innesto delle gambe, sottolineano ulteriormente la dolcezza delle curve avvolgenti. La famiglia delle sedute Camilla comprende queste poltroncine di design e altre due varianti di sedie: Camilla con gambe in legno pregiato, e Camilla ML con gambe in metallo, più leggera e maneggevole. Per completare l'ambiente con uniformità, è possibile abbinare gli sgabelli da cucina moderni Camilla Sgabello.

The Camilla Lounge chair, in both swiveling and fixed version, is the perfect example of a chair with upholstered arms that complements a room with the subtlety and sensuality you wish for in a home environment. The horizontal stitching on the outer part of the backrest results in three upholstered projections that finish evenly and seamlessly in the armrest. In the lower part of the backrest, the deep frame and leg joints further accentuate the softness of enveloping curves. The Miranda family includes these designer armchairs and two other chair variations: Camilla with legs in fine wood, and Camilla ML with metal legs, lighter and more maneuverable.

BLISS

Il cuscino d'arredo Bliss, soffice e voluminoso, dona un tocco di eleganza al tuo divano e ti avvolge dolcemente nella sua generosa imbottitura in misto-piuma.
Realizzato con gusto sartoriale in ogni dettaglio, questo cuscino moderno per salotto veste con disinvoltura la nostra collezione di tessuti e pelli. Bliss viene proposto in due versioni: puoi scegliere il cuscino rettangolare, studiato per offrire un comodo supporto lombare, oppure quello quadrato, da disporre liberamente per concederti diverse posizioni di puro relax.

The soft and voluminous Bliss furniture cushion brings a touch of elegance to your sofa and gently embraces you in its generous feather-blend filling. Created with a sartorial flair in every detail, this modern living room cushion casually dresses up our collection of fabrics and leathers. Bliss is available in two versions: you can choose either the rectangular cushion, designed to offer comfortable lumbar support, or the square cushion, which can be arranged as desired to allow you various positions of pure relaxation.

COMFY

Lasciati cullare dalla morbidezza di Comfy, un cuscino imbottito in misto-piuma, disponibile in tessuto o in pelle a seconda delle esigenze. Questo cuscino da divano aggiunge una nota di stile al tuo living moderno, senza farti rinunciare al comfort di un cuscino ergonomico: la doppia bordatura conferisce uno spessore più consistente per un maggior supporto alla schiena. Concediti un momento di puro relax provando il tuo cuscino d'arredo nella versione rettangolare e quadrata.

Linger with the softness of Comfy, a cushion padded with a feather blend, available in fabric or leather to suit your needs.This sofa cushion adds a touch of style to a modern living room, without sacrificing the comfort of an ergonomic cushion: the double edging provides greater thickness for more back support. Pamper yourself with a moment of pure relaxation by trying your furniture cushion in rectangular and square versions.
