# Craig

*Design / Maurizio Manzoni*

Curve sinuose, comfort eccezionale e un'estetica che cattura lo sguardo: Craig rende unico ogni soggiorno di design. Conforme al gusto del panorama attuale, è destinato tuttavia a distinguersi con stile.

Lo schienale, ispirato alle forme organiche della natura, avvolge le sedute e si modella attorno ai cuscini completamente sfoderabili. I dinamismi visivi gli donano un aspetto singolare a tutto tondo e trasmettono un senso appagante di pace anche agli open space più moderni. Il bracciolo, assoluto protagonista della composizione, sembra chiudere la seduta in un caldo abbraccio, creando un luogo intimo e raccolto.

Craig è anche un divano versatile, componibile e modulare: apre la possibilità a configurazioni lineari, vis-à-vis e ad angolo con chaise-longue, disponibile nella versione tonda o squadrata. Infine, i comodi moduli terminali, che seguono l'andamento curvilineo e avvolgente dello schienale, spezzano la simmetria, aggiungendo dinamismo e personalità alla composizione.

With its sweeping curves, exceptional comfort and an eye-catching aesthetic, Craig will brighten up your modern living room and add a unique touch. A contemporary sofa that is in keeping with modern tastes, yet destined to stand out in style. Drawing inspiration from the organic, harmonious forms of nature, the backrest wraps around the seats and moulds itself around the soft, fully removable covers of the cushions. The dynamic visuals give Craig a singular all-round look and create an atmosphere that exudes a satisfying sense of peace, even in the most modern open spaces. The armrest, absolute protagonist of the composition, seems to close the seat in a warm embrace, creating an intimate and cosy place. Craig is also a modular and versatile sofa that will adapt to any space: it opens up the possibility of linear, vis-à-vis and corner configurations, with its chaise longue available in both round and square versions. Lastly, the comfortable end modules, which follow the curved, enveloping contours of the backrest, provide a break to the symmetry, adding dynamism and character to the composition.

# Douglas

## *Design / Blus*

Douglas, espressione dell'interior design più pregiato, racchiude l'armonia di una calda accoglienza e si adatta in modo ottimale agli ambienti residenziali. L'ampia componibilità consente di esprimere la propria sensibilità artistica e di soddisfare ogni esigenza: le configurazioni lineari valorizzano il centro stanza, mentre quelle angolari favoriscono i momenti conviviali e il relax. Sono disponibili anche soluzioni con chaise longue e ricercate penisole dalla forma arrotondata, vere e proprie oasi di pace. Braccioli e schienali, inoltre, possono essere facilmente riposizionati per trasformare il look del living o di uno spazio espositivo.

La struttura lineare e pulita crea un piacevole contrasto con le curve sinuose dei pratici cuscini sfoderabili, imbottiti in misto piuma. Le sedute, arricchite da un'innovativa microfibra in poliuretano, garantiscono il comfort e la compattezza da divano di gran lusso.

Douglas, an expression of the finest interior design, encompasses the harmony of a warm welcome and adapts perfectly to residential environments. Its wide compositional versatility highlights artistic flair and meets every need: linear configurations are ideal for a central room placement, while corner configurations are designed for moments of conviviality and relaxation. Solutions with chaise longue and refined, rounded peninsulas are also available, creating true oases of peace. Moreover, the removable and reversible armrests and backrests can be easily repositioned to renew the look of a living room or showroom space.

The clean, linear structure creates a pleasant contrast with the sinuous curves of the practical cushions with removable covers, upholstered in a feather blend. The seating, enhanced with an innovative polyurethane microfibre, guarantees the firmness and comfort expected from a luxurious sofa.

# Michael

## *Design / Blus*

Michael non è solo un divano di design, ma un'esperienza unica che dona il calore di un paesaggio familiare. Il suo fascino si esprime nella seduta avvolgente del modulo semicircolare, un elegante "anfiteatro" da centro stanza, ideale per i momenti di condivisione; la leggera stonatura dei cuscini imbottiti ne riduce la profondità, per una facile collocazione negli ambienti residenziali e nelle aree lounge più contenute. Adatto anche al contract, Michael fa sfoggio di preziosi dettagli sartoriali, come le morbide impunture dello schienale e il raffinato piping in gros grain. Quando il comfort è il cuore del progetto, la flessibilità compositiva diventa essenziale. La configurazione ideale prende forma con l'abbinamento dei pratici pouf poggiatesta e degli elementi con schienale aperto, pensati per accogliere i tavolini della collezione.

Michael is not just a designer sofa; it is a unique experience that brings the warmth of a familiar landscape. Its charm is expressed through the enveloping seat of the semi-circular module — an elegant "amphitheatre" ideal for shared moments and perfect as a centrepiece in any space; the gently curved, upholstered cushions reduce depth, making it easy to place in more compact residential spaces and lounge areas. Also suitable for contract settings, Michael showcases exquisite tailoring details, such as the soft stitching on the backrest and the refined grosgrain piping. When comfort is at the heart of the design, a modular sofa's flexibility becomes essential. The ideal configuration takes shape by pairing practical footrest poufs with open backrests elements, thoughtfully designed to complement our modern coffee tables.

MICHAEL sofa compositions (TC160 left + TC160 right) in fabric T60 B095 with gros grain piping in 163 colour - BLISS 55x55 cushions in fabric T70 F012 - BLISS 45x45 cushions in fabric T60 F103

# Sinatra

*Design / Maurizio Manzoni*

Sinatra è un divano modulare dalla personalità trasversale, che può trasformarsi in un'isola di relax o in un angolo dedicato alla lettura e ai pensieri. Le proporzioni monolitiche gli donano un tocco scenografico senza rinunciare al comfort: la seduta, bassa e profonda, crea un'atmosfera rilassata e informale.

Lo schienale reclinabile è dotato di un pratico meccanismo che consente una leggera inclinazione, mentre la sua altezza garantisce un miglior supporto posturale. Grazie all'ampia componibilità, si possono creare accoglienti configurazioni lineari e angolari con penisola. Tavolini ed elementi freestanding, come chaise longue e pouf da seduta o poggiatesta, possono essere disposti per dare vita ad uno spazio conviviale e su misura.

Sinatra is a modular sofa with a transversal personality that can be transformed into a relaxing island or a corner dedicated to reading and thinking. The monolithic proportions give it a dramatic and charismatic touch without sacrificing comfort: the low, deep seat creates a relaxed and informal atmosphere.

The reclining backrest features a practical mechanism that allows a slight inclination, while its height offers greater support for the posture. Its wide modularity allows the creation of cosy linear and corner configurations with the peninsula. Side tables and freestanding elements, such as chaise longues and poufs for seating or as footrests, can be arranged to create a homely, made-to-measure space.

# Heston

*Design / Maurizio Manzoni*

Le linee pulite di Heston riflettono la ricerca di una purezza geometrica, ideale per chi cerca un divano moderno senza rinunciare al comfort. Il concetto di bracciolo viene reinterpretato: nasce così un innovativo pannello in struttura metallica su cui poggia il morbido cuscino. Perfetto per la casa o per gli spazi contract, Heston combina il suo design funzionale con un look di grande impatto: i cuscini alti dello schienale conferiscono un maggior supporto alla postura; la seduta sospesa, disponibile in due diverse altezze, evidenzia le raffinate finiture dei piedini. Le configurazioni possibili prevedono soluzioni lineari, angolari e a centro stanza, abbinata a pouf poggiatesta, penisole e chaise longue.

The clean lines of Heston reflect the pursuit of geometric purity, perfect for those seeking a modern sofa while maintaining the comfort. Cattelan Italia revolutionises the concept of the armrest, an innovative metal frame panel where a soft cushion lays. Perfect for home or contract spaces, Heston combines its functional design with a striking look: the high back cushions provide enhanced postural support, while the suspended seating, available in two different heights, emphasises the refined finish of the feet. Its modularity enables the creation of linear, corner and freestanding solutions complemented by footstools, peninsulas and chaises longues.

# Harrison

*Design / Maurizio Manzoni*

Cerchi un divano classico o un pezzo perfetto per il tuo living moderno? Harrison è quello che fa per te, un divano componibile nato dalla migliore tradizione made in Italy. Le linee dolcemente squadrate si rifanno al passato, ma riflettono un design minimale pensato per il tuo interior contemporaneo. Il look di Harrison, raffinato e funzionale, lo rende un divano comodo e versatile, da inserire con facilità sia in un ambiente domestico che in eleganti spazi contract. Il comfort è garantito dai cuscini alti dello schienale e dall'aspetto sospeso della seduta, proposto in due diverse altezze. Puoi personalizzare il tuo divano in pelle o in tessuto, disponibili in una vasta gamma di colori. Questo è un divano modulare che si adatta a ogni tua esigenza: componilo scegliendo tra soluzioni lineari, angolari o freestanding, come pouf poggiatesta, penisole e chaise longue, e crea una configurazione su misura per te, ideale anche per il centro stanza.

Are you searching for a classic sofa or for the perfect piece to complement your modern living room? Harrison is the one for you, a modular sofa created from the best made in Italy tradition. The softly squared lines are inspired by the past, but also reflect a minimalist design for your contemporary interior. The refined and functional look of Harrison make it a comfortable and versatile sofa that can be easily incorporated into both a domestic environment and elegant contract spaces. Comfort is guaranteed by the high back cushions and the suspended appearance of the seat, offered in two different heights. You can also customise your sofa in leather or fabric, both of which are available in a wide range of colours. This is a modular sofa that can be adapted to every need: assemble it by choosing from linear, corner or freestanding solutions, such as footstools, peninsulas and chaises longues, and create a customised configuration that is also perfect for the centre of the room.

# Hayden

*Design / Maurizio Manzoni*

Per un open space più ampio e accogliente, scegli Hayden, il nostro divano senza braccioli che completa con eleganza l'arredamento di spazi hospitality e lounge area. Lasciati trasportare dal comfort eccezionale della seduta sospesa, disponibile in due diverse altezze, e dei cuscini alti, adatti ad ogni esigenza posturale. Le linee delicate e pulite di questo divano da giorno creano il perfetto equilibrio tra innovazione e tradizione; Hayden si inserisce armoniosamente in qualunque contesto, dal centro stanza di un living moderno ad un ambiente più classico. L'elevata qualità delle materie prime riflette l'attenzione all'ambiente riservata all'imbottitura, composta da un poliuretano espanso di origine vegetale che offre un'alternativa ecosostenibile e la morbidezza di cui hai bisogno. Nel suo design minimale, Hayden nasconde la versatilità di un divano modulare: può diventare il protagonista del tuo soggiorno di design o trasformarsi in una comoda penisola da abbinare ai modelli Heston ed Harrison.

For a more spacious and cosy open space, choose Hayden, our armless sofa that elegantly completes the furnishing of hospitality and lounge areas. Drift away in the exceptional comfort of the floating seat, available in two different heights, and the high cushions, suitable for every postural need. The delicate, clean lines of this day sofa create the perfect balance between innovation and tradition; Hayden fits seamlessly into any context, from the centrepiece of a modern living room to a more classic setting. The high quality of the raw materials reflects the care for the environment that goes into the upholstery, which is made of a polyurethane foam of vegetable origin that offers an environmentally sustainable alternative and the softness you require. With its minimalist design, Hayden conceals the versatility of a modular sofa: it can become the star of your living room or turn into a comfortable peninsula to be combined with the Heston and Harrison models.

# Mykonos

*Design / Blus*

Mykonos, il nostro divano moderno d'ispirazione neoclassica, rivela il fascino dell'antica Grecia attraverso la purezza e l'armonia delle forme. Lasciati cullare dal dolce far niente, dona un comfort completo allo schienale con l'aggiunta di ampi cuscini imbottiti in misto-piuma e di cuscini a rullo poggiatesta.

La cifra stilistica di questo divano sfoderabile risiede nella sinergia tra estetica e funzionalità: l'elegante housse, ritmata da cuciture a vista, scivola lungo la silhouette fino a coprire i piedini con morbidi panneggi; un rivestimento pratico, che può essere cambiato facilmente per un look in costante evoluzione. Il progetto prevede anche una configurazione angolare su misura per te, grazie alla comoda chaise longue pensata per accompagnarti nei momenti dedicati al relax, alla lettura e ai pensieri. Mykonos: un'opera di interior design semplice ma ricca di raffinati dettagli che la ergono a "monumento" del tuo living contemporaneo.

Mykonos, our modern sofa, inspired by neoclassical design, reveals the charm of ancient Greece through the purity and harmony of its forms. Let yourself be embraced by the art of doing nothing, enjoying complete comfort with the addition of large, feather-blend upholstered cushions and cylindrical headrest pillows.

The stylistic feature of this removable-cover sofa lies in the synergy between aesthetics and functionality: the elegant cover, accented with visible stitching, gracefully flows along its silhouette, draping softly over the feet. This practical upholstery can be easily changed, allowing for a constantly evolving look.

The project also includes a customizable corner configuration, thanks to the comfortable chaise lounge –perfect for moments of relaxation, reading, and thinking. Mykonos: a simple yet sophisticated piece of interior design, enriched with refined details that elevate it to a true "monument" of your living area.

# Spencer

*Design / Blus*

Il divano di design Spencer reinterpreta lo stile iconico degli anni '70 in chiave moderna. L'eleganza rétro fa di Spencer un divano vintage, nonché un classico senza tempo perfetto per il tuo soggiorno moderno.

La sua silhouette curvilinea e l'imbottitura avvolgente offrono il giusto equilibrio tra estetica e comodità, rendendolo ideale per la tua casa o per uno spazio contract. Il segreto del suo comfort è la seduta bassa e informale: i piedini, quasi invisibili, lo fanno sembrare a contatto con il pavimento, creando un'esperienza di relax unica, perfetta per condividere momenti conviviali con i tuoi ospiti. Spencer è disponibile come divano 3 posti o 2 posti all-in-one, e puoi completarlo con elementi freestanding come la poltrona della stessa gamma o il pouf ottomano poggiapiedi o da seduta. Ogni dettaglio è studiato con cura: le cuciture valorizzano la morbidezza della pelle, mentre l'ampia selezione di tessuti ti permette di personalizzarlo secondo i tuoi gusti. I volumi pieni e compatti sono ritmati da una trapuntatura ispirata alla lavorazione capitonné, che crea morbidi panneggi offrendoti una seduta comoda ed ergonomica.

The Spencer design sofa is a contemporary twist on the iconic style of the 1970s. Its retro elegance makes Spencer a vintage sofa, as well as a timeless classic, just right for your modern living room. Its curved silhouette and wraparound upholstery provide the optimal balance between aesthetics and comfort, making it ideal for your home or contract space. The secret underlying its comfort is the low, informal seating: the almost invisible feet make it appear to be in contact with the floor, creating a unique relaxation experience, perfect for sharing convivial moments with your guests. Spencer is available as an all-in-one 3-seater or 2-seater sofa, and it can be complemented with freestanding elements such as the armchair from the same range or the ottoman footstool or seat. Every detail is carefully considered: the stitching enhances the softness of the leather, while the wide selection of fabrics allows you to tailor it to your taste. Its full, compact volumes are punctuated by a quilting pattern inspired by capitonné design, which creates a soft draping and ensures a comfortable, ergonomic seat.

# Ruby

*Design / Castello Lagravinese Studio*

Il divano Ruby risponde alle esigenze del mondo contract, senza rinunciare alla versatilità richiesta dall'abitare contemporaneo. La struttura portante in legno, in continuità con l'alter ego poltrona, Ruby Lounge, gli conferisce solidità e personalità. Lo schienale avvolge delicatamente il corpo, trasformandosi in un naturale prolungamento dei braccioli: un gesto formale che diventa elemento identitario dell'intera collezione. Progettato principalmente per ambienti contract e hospitality, il divano Ruby trova la sua collocazione ideale in una hall di un hotel, in una lounge di rappresentanza, in una sala d'attesa, in uno spazio direzionale o in un ufficio contemporaneo. Divano e poltrona Ruby si presentano come un binomio coordinato di forme e linguaggio, capace di esplorare nuove frontiere del design adattandosi a contesti diversi.

The Ruby sofa is designed to meet the needs of the contract sector while maintaining the versatility needed for contemporary living. The wooden frame, consistent with its armchair counterpart, Ruby Lounge, lends solidity and character to this new furnishing piece. The backrest gently embraces the body, naturally extending into the armrests—a formal gesture that defines the identity of the entire collection. Primarily designed for contract and hospitality environments, the Ruby sofa finds its ideal setting in a hotel lobby, an elegant lounge, a waiting area, an executive space or a prestigious office. The Ruby sofa and armchair emerge as a versatile duo, sharing a coordinated design language that explores new frontiers of contemporary living while adapting effortlessly to different contexts.

# Ruby Lounge

*Design / Castello Lagravinese Studio*

Divano e poltrona Ruby condividono un pensiero coordinato e complementare di forme e linguaggio, garantendo la massima compatibilità in termini di elementi strutturali, dettagli, caratteristiche estetiche, rivestimenti e materiali. La poltrona moderna Ruby Lounge incarna l'essenza del design scandinavo attraverso la riscoperta del nostro legame con la natura, offrendoci un rifugio dalla frenesia dei tempi odierni. La scelta del legno per la struttura è dunque simbolica: un materiale pregiato e durevole capace di creare l'effetto cocoon ideale per il tuo soggiorno di design. L'architettura rigorosa delle gambe accoglie i morbidi cuscini imbottiti in poliuretano espanso, ispirati alle forme organiche delle poltrone di design anni '70. Il tratto nordico, inoltre, promuove uno stile minimal senza rinunciare al comfort di un living moderno accogliente. La seduta extra large, impreziosita dalle cuciture a vista, è coronata dallo schienale che avvolge teneramente il corpo, facendosi bracciolo.

The Ruby sofa and armchair share a coordinated and complementary design language, ensuring perfect compatibility in terms of structure, details, aesthetic features, upholstery, and materials. The Ruby Lounge modern armchair embodies the essence of Scandinavian design by rekindling our connection with nature, offering a retreat from the fast pace of contemporary life. The choice of wood for the structure is therefore symbolic: a high-quality, durable material that creates the perfect cocoon effect for your design living room. The chair's structured legs embrace the soft cushions, made of polyurethane foam and inspired by the organic shapes of 1970s design armchairs. The Nordic influence promotes a minimal style without compromising the comfort of a warm and cosy modern living space. The extra-large seat, accentuated by visible stitching, is crowned by a gently enveloping backrest that seamlessly extends into the armrests.

RUBY LOUNGE armchair in fabric T30 D052 and burned oak frame

# Greta Lounge

*Design / Paolo Cattelan*

La poltroncina Greta è una sedia moderna con braccioli imbottiti. La sua peculiarità sta nella divisione tra la porzione della seduta e il cuscino avvolgente, che unisce lo schienale ai braccioli. Lo schienale sospeso è morbido e confortevole, composto da un cilindro sagomato e curvato, che avvolge la schiena, terminando in comodi braccioli imbottiti. Tra la seduta e la base si crea un gioco di contrasti intrigante, sovrapponendo materiali morbidi o metallici, volumi pieni o vuoti, forme accoglienti o incisive. La gamba centrale sul retro di questa poltroncina moderna è in realtà composta da due gambe ravvicinate, che creano un unico punto d'appoggio. Lo spazio verticale centrale è un dettaglio che riprende il concetto di pieni e vuoti che si ritrova tra schienale e seduta. Ne risulta un design coerente, che restituisce una sensazione complessiva di leggerezza ed equilibrio.

The Greta armchair is a modern chair with upholstered armrests. Its uniqueness lies in the division between the seat part and the wrap-around cushion, which joins the back to the armrests. The floating backrest is soft and comfortable, consisting of a curved, contoured cylinder that wraps around the back, ending in comfortable upholstered armrests. An intriguing interplay of contrasts is created between the seat and the base, superimposing soft and metallic materials, solid and empty volumes, cosy and sharp contours.

The central leg at the back of this modern armchair is actually two legs placed close together to create a single point of support. The vertical space in the centre plays on the concept of solid and empty spaces between the backrest and seat. The result is a cohesive design that conveys an overall feeling of lightness and balance.

GRETA LOUNGE chair in Glove soft leather GLV12 Oliva and embossed titanium frame

# Rhonda Lounge

*Design / Luca Signoretti*

La poltroncina Rhonda Lounge, dalla forma tondeggiante, ha una naturale eleganza che la rende adatta ad arredare una sala da pranzo di design confortevole e accogliente. Le morbide pieghe che decorano l'interno dello schienale contrastano con la scocca tesa che avvolge il corpo. Oltre alla versione fissa, è disponibile un'opzione più funzionale adatta ad un ufficio: Rhonda Turn, una sedia girevole di design realizzata con una base a quattro razze. La famiglia Rhonda è la perfetta unione tra eleganza e praticità, espressività e discrezione; ne fanno parte Rhonda Wood ed ML, con le gambe rispettivamente in legno e in metallo, e lo sgabello Rhonda da bancone.

The Rhonda Lounge chair, with its round shape, exudes a natural elegance that makes it ideal for furnishing comfortable and welcoming designer dining rooms. The soft folds that decorate the inside of the backrest contrast with the stretched frame that wraps around the body. In addition to the fixed version, a more functional or office-friendly option is available: the Rhonda Turn chair, a designer swivel chair made with a four-spoke base. The Rhonda family provides the perfect combination of both elegance and practicality, expressiveness and discretion; it also includes Rhonda Wood and ML, with legs in wood and metal respectively, and the Rhonda counter stool.

# Miranda Lounge

*Design / Luca Signoretti*

La scocca di Miranda Lounge è ricca di dettagli sartoriali, realizzati con la massima cura e precisione. La seduta e lo schienale, modellati come due valve complementari di una conchiglia, presentano una forma poligonale, arricchita da spigoli smussati e dolci curve. Questa sedia con foro sullo schienale è inoltre arricchita da morbide increspature, come onde sulla riva, che accentuano la sensazione di comfort. Miranda Lounge è disponibile in versione girevole e fissa, con struttura a quattro gambe metalliche che ne snelliscono la figura generosa. La famiglia di sedute Miranda inoltre comprende anche lo sgabello da bancone cucina - Miranda Sgabello, la sedia con struttura in legno - Miranda Wood, e la versione Miranda ML con gambe in acciaio che rendono la seduta più longilinea e maneggevole.

The body of the Miranda Lounge is rich in bespoke details, crafted with the utmost care and precision. The seat and the backrest, modelled like two complementary shells, have a polygonal shape, magnified by rounded edges and gentle curves. This chair with a hole in the back is also enhanced by soft ripples, like waves on the shore, which accentuate the feeling of comfort. Miranda Lounge is available in both swiveling and fixed versions, with four metal legs that streamline its ample silhouette. The Miranda family also includes the Miranda Sgabello kitchen counter stool, Miranda Wood chair with frame and legs in fine wood and the Miranda ML chair with steel legs that make the chair slenderer and more maneuverable.

MIRANDA LOUNGE B chair in Glove soft leather GLV11 Taupe and embossed titanium frame

# Camilla Lounge

*Design / Luca Signoretti*

Camilla Lounge, nella versione fissa e girevole, è il perfetto esempio di sedia con braccioli che completa una stanza con la delicatezza e la sensualità che si desiderano in un ambiente residenziale.

Le cuciture orizzontali sul retroschienale producono tre sporgenze imbottite che terminano nel bracciolo con uniformità e in modo molto fluido. La parte bassa del retroschienale, la struttura profonda e l'innesto delle gambe sottolineano ulteriormente la dolcezza delle curve avvolgenti. La famiglia delle sedute Camilla comprende queste poltroncine di design e altre due varianti di sedie: Camilla con gambe in legno pregiato, e Camilla ML con gambe in metallo, più leggera e maneggevole. Per completare l'ambiente con uniformità, è possibile abbinare gli sgabelli da cucina moderni Camilla Sgabello.

The Camilla Lounge chair, in both swiveling and fixed version, is the perfect example of a chair with arms that complements a room with the subtlety and sensuality you wish for in a home environment. The horizontal stitching on the outer part of the backrest results in three upholstered projections that finish evenly and seamlessly in the armrest. In the lower part of the backrest, the deep frame and leg joints further accentuate the softness of enveloping curves. The Camilla family includes these designer armchairs and two other chair variations: Camilla with legs in fine wood, and Camilla ML with metal legs, lighter and more maneuverable.

# Bliss

Il cuscino d'arredo Bliss, soffice e voluminoso, dona un tocco di eleganza al tuo divano e ti avvolge dolcemente nella sua generosa imbottitura in misto-piuma. Realizzato con gusto sartoriale in ogni dettaglio, questo cuscino moderno per salotto veste con disinvoltura la nostra collezione di tessuti e pelli.

Bliss viene proposto in due versioni: puoi scegliere il cuscino rettangolare, studiato per offrire un comodo supporto lombare, oppure quello quadrato, da disporre liberamente per concederti diverse posizioni di puro relax.

The soft and voluminous Bliss furniture cushion brings a touch of elegance to your sofa and gently embraces you in its generous feather-blend filling. Created with a sartorial flair in every detail, this modern living room cushion casually dresses up our collection of fabrics and leathers. Bliss is available in two versions: you can choose either the rectangular cushion, designed to offer comfortable lumbar support, or the square cushion, which can be arranged as desired to allow you various positions of pure relaxation.

BLISS 55x55 and 55x30 cushions in fabric T80 D022  
BLISS 55x55 cushion in fabric T50 F042

# Comfy

Lasciati cullare dalla morbidezza di Comfy, un cuscino imbottito in misto-piuma, disponibile in tessuto o in pelle a seconda delle esigenze. Questo cuscino da divano aggiunge una nota di stile al tuo living moderno, senza farti rinunciare al comfort di un cuscino ergonomico: la doppia bordatura conferisce uno spessore più consistente per un maggior supporto alla schiena. Concediti un momento di puro relax provando il tuo cuscino d'arredo nella versione rettangolare e quadrata.

Linger with the softness of Comfy, a cushion padded with a feather blend, available in fabric or leather to suit your needs. This sofa cushion adds a touch of style to a modern living room, without sacrificing the comfort of an ergonomic cushion: the double edging provides greater thickness for more back support. Pamper yourself with a moment of pure relaxation by trying your furniture cushion in rectangular and square versions.

### Composition C p. 58

Divano singolo o componibile con struttura in legno, imbottitura in poliuretano e piedini in abs. Schienali con movimento. Rivestimento in tessuto come da campionario. Rivestimento sfoderabile solo nella versione in tessuto.

Sofa or modular sofa with wooden frame, polyurethane padding and thermoplastic feet. Backrest with movements. Cover in fabric as per sample card. Removable cover only in the fabric version.

### Informativa tecnica

Technical information

Struttura: Legno multistrato di betulla e metallo

Piano di molleggio: Cinghie elastiche

Imbottitura seduta: Poliuretano a densità variabile (40 + 35) e ovatta con rivestimento in fibra sintetica resinata.

Imbottitura schienali / braccioli: Poliuretano a densità variabile (40 + 38 + 35), ovatta e trapunta in piuma con rivestimento in fibra sintetica resinata.

Piedini: ABS

Rivestimento: Sfoderabile

Morbidezza: Semimorbido - (5/10)

Structure: Birch plywood and metal

Seat platform: Elastic belts

Seat padding: Polyurethane with different densities (40 + 35) and wadding with resin-bonded polyester fiber.

Backrest / arm padding: Polyurethane with different densities (40 + 38 + 35), wadding and feather with resin-bonded polyester fiber.

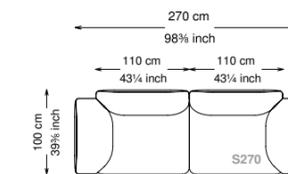

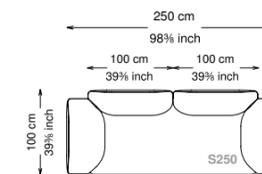

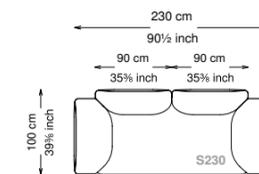

Feet: ABS

Cover: Removable cover

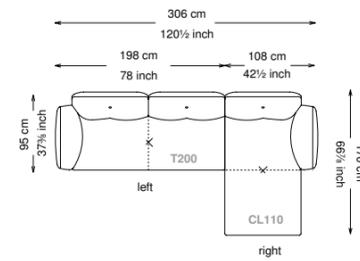

Softness: Semi-soft - (5/10)

Divano singolo o componibile con struttura in legno, imbottitura seduta in poliuretano e imbottitura schienale in piuma. Piedini in metallo verniciato titanio (GFM11), bronzo (GFM18) o nero (GFM73), disponibili in due altezze. Rivestimento in tessuto o pelle come da campionario. Rivestimento sfoderabile solo nella versione in tessuto.

Single or modular sofa with wooden frame, polyurethane seat padding and feather back padding. Feet in titanium (GFM11), bronze (GFM18) or black (GFM73) embossed lacquered metal, available in two heights. Fabric or leather upholstery as per sample card. Removable cover only in the fabric version.

## Informativa tecnica

Technical information

Struttura: Legno multistrato di betulla

Bracciolo: Metallo verniciato

Imbottitura struttura: Fodera in fibra pressata 100% poliestere

Imbottitura cuscini schienale: 50% piuma, 50% fibra di poliestere sfioccata siliconata con rivestimento in tessuto antipiuma 100% cotone.

Imbottitura cuscini seduta: Poliuretano a densità variabile (25 + 40) con rivestimento in fibra 100% poliestere.

Imbottitura cuscini bracciolo: 100% piuma con rivestimento in tessuto 100% cotone.

Piedini: Metallo verniciato

Rivestimento: Versione in tessuto: sfoderabile - Versione in pelle: non sfoderabile

Altezza seduta: 40 cm altezza standard, 44 cm altezza modello H

Morbidezza: Semirigido - (7/10)

Structure: Birch plywood

Arm: Painted metal

Structure padding: 100% polyester pressed fiber lining

Backrest cushions: 50% feather, 50% siliconized frayed polyester fiber in 100% cotton feather-proof fabric cover.

Seat cushions: Polyurethane with different densities (25 + 40) covered in 100% polyester fiber.

Arm pillow padding: 100% feather wrapped in 100% cotton fabric.

Feet: Painted metal

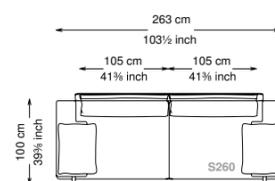

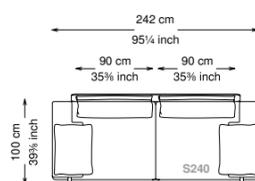

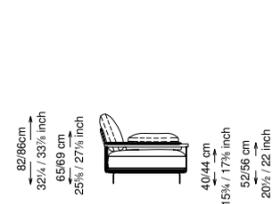

Cover: Fabric version: removable cover - Soft leather version: non-removable cover

Seat height: 40 cm standard height, 44 cm model H height

Softness: Semi-firm - (7/10)
